About i♥OC Giving Day

Powered by the Orange County Community Foundation, the goal of i♥OC Giving Day is to inspire the Orange County community to come together with extra-mile giving in support of the exemplary work of local nonprofits. The inaugural campaign in 2015 raised more than **\$1.8 million** for **347 nonprofits** and in 2016 more than **\$3.25 million** was raised for **418 nonprofits**. To date, the i♥OC Giving Day campaign total exceeds **\$5 million** raised to support of the missions of participating nonprofits. Let's come together to show Orange County nonprofits how much we care! Learn more at iheartoc.org.
