Nearly 600 professionals from top real estate companies and financial institutions attended the fourth annual Orange County Real Estate Luncheon on April 18 at Hotel Irvine. The event was held in partnership with the **Orange County Community Foundation** and raised over \$700,000 to support the critical needs of local veterans and their families.

Bank of America was the presenting sponsor and was joined by founding sponsors **CBRE Group Inc., Donahue Schriber, Mark IV Capital, Rancho Mission Viejo LLC, Fidelity National Title, Craig Realty Group, Lyon Living** and **KBS Realty Group**.

This year's event featured a keynote address from 26th National Security Adviser Gen. **H.R. McMaster**.

The events helped raise funds for the Orange County Veterans Initiative. To date, OCVI has granted over \$3 million to nonprofits reaching more than 17,000 veterans and their families.

"People want to see their money put to good use with measurable results," said **Patrick S. Donahue**, chairman and chief executive of **Donahue Schriber**. "That is why Donahue Schriber and its executives underwrite the cost of the luncheon. We want sponsors and attendees to know that their money is going directly to the nonprofits that support our local vets."
