

THE ORANGE COUNTY REGISTER

Status Update

Good works

Five local nonprofit organizations partnered with the Orange County Community Foundation to host the second annual Preserving Dignity, a Giving Day for OC's older adults in need. The 24-hour effort raised \$73,000 with participation from more than 233 donors. OCCF launched the initiative in 2017 to build the capacity of local nonprofits through a series of Collaborative Giving Days. The five organizations that participated included Alzheimer's Orange County, SeniorServ, Council on Aging-Southern California, Southern California Hospice Foundation and St. Francis Home.
