Around Town: Community Foundation Starts Fundraising Initiative

The Newport Beach-based Orange County Community Foundation is hosting its second Igniting Potential fundraising effort alongside other nonprofits — with a shared goal of raising \$125,000.

Other participating groups include the Orange County Council of the Boy Scouts of America, MOMS Orange County and Big Brothers Big Sisters of Orange County.

The effort begins Wednesday. For more information, or to donate, visit ignitingpotential2019.funraise.org.
