The Orange County Community Foundation second annual ImpACT Anaheim, a Giving Day for Anaheim's youth, raised \$86,020 for nine local organizations.

The participating organizations in the ImpACT Anaheim Giving Day included Anaheim Community Foundation, Anaheim Ballet, Big Brothers Big Sisters of Orange County, Boys & Girls Club of Greater Anaheim-Cypress, Chance Theatre, Network Anaheim, Girls Inc., Pure Game and Voice of Refugees.

Each nonprofit is striving to overcome the financial challenges presented by COVID-19 so they can continue to address critical gaps in services for youth in Anaheim.

The money raised will support academic resources, enrichment and life skills programs, character building, leadership, mentorship and counseling.
