Status Update: Fundraiser is Wednesday

Boys & Girls Clubs in Orange County will host an online fundraiser called “Greatness Amplified” on Wednesday, Aug. 26.

The 24-hour event will be hosted by the Orange County Community Foundation.

Money raised will support the clubs’ full-day programming with academic assistance for remote learning, along with enrichment activities both on-site and online. The money also will help maintain support services including telehealth and wellness checks, Grab-n-go STEM activities, access to licensed therapists, food distribution, family resources, literacy and reading programs, and more.
